## ***What are Your Interests? Where Could You Find a Home at St. John's?***

*St. John's Cathedral welcomes new parishioners! We are especially interested in helping new parishioners find ways to become involved in and connected to the parish. We would be happy to provide you with additional information about any of the ministries listed below, or help you contact these ministries and services to become involved. We encourage you to read the bulletin weekly to learn of new opportunities for involvement. The sharing of gifts is one way to involve all parishioners in building the kingdom of God!*
